Colorado Company, the original magazine for CEO executives, entrepreneurs and thought leaders, presents the **Third Annual The Bold & The Bankrolled** event. Scheduled to take place Friday, September 15, 2006 at The Brown Event Center, the event expects to draw more than 1,200 of Colorado's prominent business executives and brightest, most promising, up and comers. The event which celebrates the entrepreneurial spirit of Colorado puts a networking focus on traditional business networking events, featuring a unique forum for individuals to foster high energy conversations and connections with potential investors, mentors, and industry leaders.

For the event, Colorado Company magazine has also teamed up with some of Colorado's leading entrepreneurial organizations to offer event attendees a unique opportunity to present high-level ideas and business pitches to venture capital firms, angel investors and media representatives. The "PitchFest", obtained prior to the event through early registration gives the attendees a chance to pitch a VC or Angel investor in a mock elevator and/or written form into the evening's give away contest. This year will add a new feature of a one-on-one pitch or a group pitch option.
